Dear Gateway Travel;

Kudos to all of you for the professional organization of our band trip to Waikiki Beach in Hawaii. We thoroughly enjoyed our trip to Hawaii to participate in the Holiday Parade and perform at the USS Missouri. Angie Voll, Lauren Vanscoy, Tammy Jo Sutton and Marcy Fawver thoroughly organized every aspect of the trip from beginning to end. I was especially pleased with the organizational process these ladies employed before the trip and the resulting successful plans once we were on the island. We have had the privilege of travelling nationally and internationally with our band and this Hawaii trip ranks as one of our best trips ever. Many thanks go to Mr. Jake Peppers for the invitation to be a part of this fantastic experience. We feel honored to have been able to celebrate the lives of those who were Pearl Harbor survivors and perform in memory of those who lost their lives. As a military community in Augusta, GA, we understand the importance of our veterans. Thank you for allowing us an opportunity to show our support.

Once again, thank you Gateway for making this a wonderful trip for our students. You all are a class act and I would highly recommend your business to others seeking a professionally operated travel company.

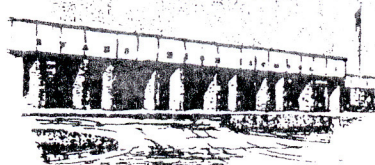

Sincerely,
